The proposals involve extra cost to the extent of Rs. 16,203·48 nP. (Rupees sixteen thousand two hundred and three and naye paise forty-eight only) per annum.

After careful consideration Government are pleased to sanction the proposals of the Inspector General of Police, Appendix "E" indicates the existing distribution of the Police Force and Appendix "F" shows the re-organised distribution.

In working out the net financial effect of these proposals, the revised pay scales have been taken into account for the surplus and additional posts required. Separate orders will issue regarding the continuance, rationalisation or otherwise of the allowances. The present Re-organisation order fixed only the strength of the Police Personnel in each category. As regards the incumbents that occupy these posts their pay scales will depend on whether or not they opt to the new scales.

As some time lag is involved in the sanction of the Re-organisation proposals of all the Districts the incumbents of the surplus posts will continue as supernumeraries from the date of this order till the Re-organisation of the entire Department is completed.

The Inspector General of Police is requested to send a statement of re-distribution of Forces of the entire State for the information of Government when all the proposals are finalised and also the necessary proposition statement.

A notification indicating the changes in the existing jurisdiction of Police Stations and Out-posts will be issued separately.

By Order and in the name of the Governor of Mysore,

K. NARAYANASWAMY,
Secretary to Government,
Home Department.
